

Applied Design Carol Light

This class will focus on the seven elements of design. During each session we will take one or more element(s) and explore how they can be used in our compositions to unite them in a visually exciting way.

Please bring your own ideas, drawings, or subject matter – we will not be working from photographs. It is best to already have your idea drawn on your paper before you come.

Recommended Supply List

Notebook – 4B pencil

1” flat brush

Watercolor **OR** Liquid Acrylics

Watercolors -- red/yellow/blue

Liquid acrylics -- red/yellow/blue/black/white

Good watercolor paper (Arches #140)
